PRELICENSURE CONSENT ORDER

WHEREAS, Caroline Hall of South Glastonbury, Connecticut (hereinafter "respondent") has applied for licensure to practice as a licensed clinical social worker by the Department of Public Health (hereinafter "the Department") pursuant to Chapter 383 of the General Statutes of Connecticut, as amended; and,

WHEREAS, respondent agrees that:

1. The Department has at no time issued respondent a license to practice as a licensed clinical social worker under the General Statutes of Connecticut, Chapter 383.
2. From January 1, 1996 until present, respondent practiced as a licensed clinical social worker without a Connecticut license.
3. The conduct described above constitutes grounds for the denial of respondent's application for licensure pursuant to §19a-14 of the General Statutes of Connecticut.

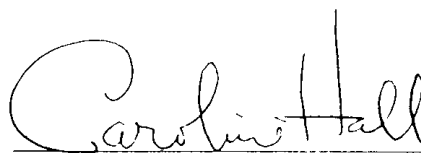

NOW THEREFORE, pursuant to §19a-14 of the General Statutes of Connecticut, respondent hereby stipulates and agrees to the following:

1. Respondent waives the right to a hearing on the merits of respondent's application for licensure.
2. After satisfying the requirements for licensure as a licensed clinical social worker as set forth in Chapter 383 of the General Statutes of Connecticut, respondent's license to practice as a licensed clinical social worker will be issued.

3. Respondent shall pay a civil penalty of one thousand eight hundred dollars (\$1800.00) by a certified or cashier's check payable to the "Treasurer of the State of Connecticut." The check shall reference the Petition Number on its face. Said civil penalty shall be payable at the time respondent submits this executed Prelicensure Consent Order to the Department.
4. Respondent shall comply with all state and federal statutes and regulations applicable to respondent's license.
5. Respondent shall notify the Department of any change in respondent's home and/or business address within fifteen (15) days of such change.
6. Legal notice shall be sufficient if sent to respondent's last known address of record reported to the Department's Office of Practitioner Licensing and Certification.
7. Respondent understands that this Prelicensure Consent Order may be considered as evidence of the above-admitted violations in any proceeding before the Connecticut Department of Public Health in which (1) respondent's compliance with this Prelicensure Consent Order is at issue, or (2) respondent's compliance with §20-195p of the Connecticut General Statutes, as amended, is at issue.
8. This Prelicensure Consent Order and terms set forth herein are not subject to reconsideration, collateral attack or judicial review under any form or in any forum. Further, this Prelicensure Consent Order is not subject to appeal or review under the provisions of Chapters 54 and 368a of the General Statutes of Connecticut, provided that this stipulation shall not deprive respondent of any other rights that respondent may have under the laws of the State of Connecticut or of the United States.

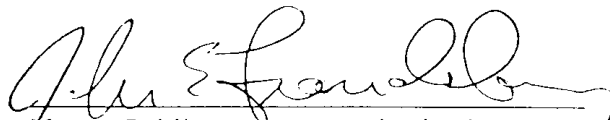

9. This Preliminary Consent Order is a revocable offer of settlement which may be modified by mutual agreement or withdrawn by the Department at any time prior to its being executed by the last signatory.
10. This Preliminary Consent Order is effective when accepted and approved by a duly appointed agent of the Department.
11. Respondent understands this Preliminary Consent Order is a matter of public record.
12. Respondent understands she has the right to consult with an attorney prior to signing this Preliminary Consent Order.

I, Caroline Hall have read the above Prelicensure Consent Order, and I agree to the terms and allegations set forth therein. I further declare the execution of this Prelicensure Consent Order to be my free act and deed.

Dear Ms. Hall:

This is to advise you that you have completed all requirements to practice as a licensed clinical social worker in Connecticut. License number 005293 has been issued effective the date of this letter.

Enclosed is a copy of the fully executed Prelicensure Consent Order in accordance with which your license is being issued.

You will receive your license in approximately eight (8) weeks, at your address of record. Instructions regarding future renewal will be enclosed. Failure to renew your license within ninety (90) days of the due date will result in your license becoming void. In that event, re-licensure would require a new application to the Department and a review of all credentials to determine whether you would satisfy current licensing requirements. In order to avoid such a process, be sure to renew your license in a timely manner each year in the month of your birth.

It is your responsibility to notify the Department of Public Health, in writing, of any future changes of name and address. Such notification to the Department is required by law and failure to provide same will jeopardize the status of your license.

If you have any questions, please do not hesitate to contact this office at 860-509-7590.

Sincerely,

Stephen B. Carragher
